## About us

**The trust of our clients in our capabilities motivates us to indulge ourselves in a wide & multifaceted range of challenging projects and succeed...**

We are small, but one of the most experienced company in India in all aspects of design, production and marketing. We have nearly 10 years of successful experience in creating :

Over the past 10 years, we have executed several award winning trade exhibits for various corporate companies. We will take care of the trade exhibits end-to-end from concept, design, execution, complying with regulatory needs, collaterals, graphics, manpower etc. We have a dedicated and experienced design and visualizer team with latest 3D CAD software and tools for supporting smooth designing and execution regardless of budget. Our clients, ranging from small companies to large multi-national companies have found our service exemplary leading to repeat jobs over the years. No matter what your budget is, we will be able to provide best solutions and best services.

Our design team have made print collaterals like brochures, product catalogues, advertisement material, newsletters, direct mailers, training documents etc. making us a complete marketing and communication agency. We are one stop shop and rest assured, you will not have to look beyond us for your communication needs..

We sincerely hope you will consider us for your current and future projects. Kindly let us know if we could be of service to your projects at [guruk.designhub@gmail.com](mailto:guruk.designhub@gmail.com) or Mob: 094480 85857.
